Dear Juneau Arts and Humanities Council;

We are renewing our Letter of Support to the JAHC to encourage the building of the new Juneau Arts and Community Center. We have added a link, to the new JACC website, on the homepage of our website.

This new Juneau Arts and Community Center will be a great addition to the Juneau community, providing more space for performing arts in the Juneau community. It will give more options for groups who need stage space for performances; stage space in Juneau is currently limited. We are excited for the opportunities this new building will bring. We look forward to being able to perform in the New JACC.

Sincerely,

Alaska Youth Choir Board
